City News Items

T. C. Hubera made a business trip to Edmonton on Wednesday.

Mrs. A. Murray was at the Capitol during the week end on business.

Mrs. J. P. Fowler wishes to announce that she will not receive again this season.

A. R. Ems, of the Police Department, was in the city on Monday, and paid The Times a most enjoyable visit.

M. F. Dunham, of the Camrose Chronicle, was in the city on Sunday. He is spending a week with friends in Calgary.

R. C. Bauer, of Round Hill, was in the city the latter part of the week transacting business and renewing acquaintances.

Mrs. Burke came from Edmonton on Monday to join her husband who has charge of the construction branch of the Alberta Telephone system.

M. Barker and family left for Calgary on Saturday, where they will reside in future. Mr. Barker has purchased a grocery business in Stunista a suburb of Calgary.

Jarom Baraga and wife, of Camrose, spent Sunday in the city, at the home of the former's parents. The host of friends of this popular couple in extending the heartiest congratulations.

Jens T. Nelson, and family of Dayland spent a few hours in the city on Saturday with friends. They were en route to Denmark, to visit at the former's old home. Their friends here wish them a bon voyage.

The bar of the Alberta Hotel was reopened last week, on the conviction against Mr. Weller for selling liquor to an Indian was quashed by the Queen's Bench Division. W. J. Logan acted on behalf of Mr. Weller.

L. G. Kelley and wife, who have been spending their honeymoon in Edmonton, returned to the city on Saturday afternoon. They are preparing to take up housekeeping in the residence at present occupied by V. C. French.

Corp. Michel left for Port Saskatchewan on Wednesday morning to join the remainder of the contingent which has been slated to represent this division of the R.N.W.M.P. force at the coronation. Mrs. Michel accompanied him on the trip.

Alva Knapp, recently from Des Moines, Iowa, who has taken up a homestead near Wainwright, is in the city this week visiting his parents, Mr. and Mrs. B. A. Knapp. It is noted that Alva left home to do for himself, and has not been home since that time.

Alfred Rogers, a recent arrival from the construction work for the new Burns Block. The building will be 100 x 50 feet, two stories, with a first floor basement, and will be one of the best appearing buildings in the city. The Wetaskiwin Wire & Spirit Co. has leased one of the stores in the new block.

Is it not about time our local bad boys involve to the fact that our playing season is upon us? It is not easy to elect new officers for the coming summer and besides the demand is badly in need of levelling and rolling, which cannot be done unless immediate steps are taken for the re-organization of the club.

Mr. S. Nelson resigned his position as clerk in Wallace's hardware store the first of the month. On Monday he and Mr. E. S. Stuber, formerly of Angus Ridge, left for Inawitah, where they have purchased a hardware and furniture business. We are sorry to depart with these estimable young men but all join in wishing them every success in their business venture.

Mr. Fred Spencer has resigned his position as book-keeper at Coles' of 9c and expects to leave for Saskatchewan in the near future. Mr. and Mrs. Spencer have been with us for nearly two years during which time they have made friends who are sorry to see them leave. We, however, wish them abundance of luck in their new home and undertaking.

Strenuous Denatch.

An enthusiastic meeting to consider ways and means for the establishment and maintenance of a Y. M. C. A., was held in the assembly room of the Alexandra school on Friday evening last. A good crowd was in attendance, and all signified their willingness to do anything possible to establish a Y. M. C. A. in the city. A committee of the city could be organized for social intercourse and amusement. Mr. J. W. Ward, secretary of the Edmonton Y. M. C. A., was present, and gave much valuable information as to the best manner of conducting the work. After a full consideration of the subject, a committee was appointed to secure all information possible, formulate a plan by which a Y. M. C. A. could be established, and to report at a meeting to be called at a later date. The committee consists of Mayor Fowler, chairman; and Messrs. A. S. Barlow, E. W. Thompson, W. F. Murphy, Joe F. Ellis, N. E. Outler, ex-mayor Montgomery and Rev. A. B. Aldridge.

Walter Deslato returned on Wednesday morning from a business trip to Edmonton and other points out of the city.

The theoretical examination of the candidates for the diploma of the City of Wetaskiwin, held on Wednesday, was presided over by Rev. M. McGowan. The three candidates writing were Mrs. H. J. McManis, and Misses Phyllis Kelly and Thosley. The practical examination will be held in the city on the 26th inst., when an examiner will be in the city to receive. This is the first time that an examiner from any academy will conduct a musical examination in the city. We understand that there are about twenty who purpose writing.

PRESBYTERIAN CHURCH

At the morning service last Sunday, three new elders were ordained and inducted to the duties of the Presbyterian church, these were Mr. Wm. Carruthers, Mr. Geo. Francis, and Mr. D. J. McKittrick. Mr. Carruthers was formerly an elder of this church and is, in fact, the oldest member of the session. About a year ago he was removed from the board on account of his advanced age, but the congregation evidently took a different view of the situation and on the last opportunity he was re-elected to his former position. We were glad to have Mr. Carruthers comply with the wishes of the congregation and value his experience and advice in church affairs. We also appreciate the appointment of the other two and hope they will long adorn the membership of the Presbyterian church.

The Mission Band has closed its meetings for the summer months. The children have each taken with them a mile-box and the leader and officers will look forward with interest to the return which will be made when the summer has closed. The band will probably be organized in September.

The pastor Rev. E. McGowan, M. A., will occupy the pulpit at both services next Sunday.

SCHOOL INSPECTOR'S REPORT

Inspector McNally, who recently inspected the public school in the city, has handed an excellent report to the school board. After commenting on the progress and making suggestions for the betterment of the school, he refers to the library, and recommends that additional books be procured at once. The report then goes on to say "The school is in a very good condition and should probably be very much out of place there. It appears to me that the board will be compelled to consider very soon the engagement of a second assistant in the high school with a probable sixth class of thirty-five next year the work devolving on the teachers will be too great. There are four teachers, Medicine Hat four, Macleod, three."

CADET CORPS PRACTICE

The first rifle practice of the Wetaskiwin school cadet corps was held on Friday afternoon last, at the range west of the city, and many excellent scores were made. The low figures may be accounted for by nervousness and inexperience. A few days ago the new Ross rifles arrived, and the first practice proves them to be a very satisfactory weapon. The corps this year is one of the best in the province, as the members are taking a very keen interest in the drill. The following are the scores made at 200 yards, out of a possible 25: McGrath 19, H. Aldridge 3, Torson 0, Kelly 9, Dickter 18, Francis 9, Gilling 10, Bauer 9, Torson 3, Burg 4, Watson 3, Barnes 15, Mattson 7, H. Chandler 8, Armstrong 10, L. Chandler 4, James 1, H. Carlson 4, Miller 12, Hultgren 7, Honey 10, Sandin 16, Langston 4, R. Groves 16, Doupe 3, Luke 12, A. Groves 5, Robt 7, Lyle 9, N. Carlson 15, R. Aldridge 9, Griffiths 13, Cook 0, Dickson 0, Burns 0, Belsham 5, Schantz 12, Rains 0.

METHODIST CHURCH

Young folk's service next Sunday morning. Parents and friends are cordially invited to attend. The young ladies' choir will lead the singing. The church year is drawing to a close. The district meeting will be held at Camrose on May 17th and conference at Calgary on May 24th. A service will be conducted in the John Hays school on Sunday afternoon next by Rev. A. R. Aldridge, B. A.

MARRIED

Buy no baking powder unless the label shows it to be made from Cream of Tartar.

News Items

The citizens of Montclair and vicinity are so tired of the protest against the removal of the statue of the West.

Now is the time to get rid of your rheumatism. You will find Chamberlain's Kidney Pills very effective. This application is the only one of its kind, for it is the only one that does not harm the system.

The poorest policy and the poorest economy to keep the children out of school. Every day lost has its own effect, the knowledge gained on that day is missed, pupils are thrown behind, become discouraged, lose a habit of the class and the very habit is to be avoided.

A Kansas editor, writing to the Arizona Globe, sarcastically announced that he wants to buy a set of four, a pair of three-ply tires, trousers and a pair of shoes, and that he is ready to receive them on the same. He says that it is what the merchants in Kansas want to do with their job work.

At Ottawa, May 1.—Hon. Phil P. Day, of Education, who represents Alberta in the senate, was appointed Secretary, Canadian High Commissioner, at Paris in succession to the late Hon. Sir John D. Macdonald. Senator Day left for Edmonton last night and will assume his duties immediately. He is understood that the vacancy thus created in the senate will be filled by the appointment of Hon. A. B. Forster, former Lieutenant-Governor of Saskatchewan.

The members of the I.N.W.M. Police force have joined in a contribution to the fund of the British and Foreign Sailors' Society in honor of our Soldier-King's Coronation. The gift of over \$100, which has been forwarded to Rev. A. Hall, Toronto, through Mr. Perry, vice president, Commissioner, A. B. Perry, O.M.G., of Regina, will be devoted to the special purpose of providing and furnishing a cabin in the new battleship, the "Royal Northwest Mounted Police" in the Pacific.

The GILLETTE Is An Economy Not An Extravagance

Because a fairly good open-blade razor can be bought for two dollars, while a GILLETTE costs five, have you concluded that the GILLETTE is an extravagance? It is not.

The open-blade costs you \$2.00 to buy and at least 25c. a year to keep honed and in condition. Total, \$2.25 for the first year.

The GILLETTE, with 12 double-edged blades, costs \$5.00 and a second box of blades (should your blades be very tough) adds \$1.00. Total, \$6.00 for first year. Difference \$3.75.

Looks bad for the GILLETTE, eh? But wait! The three-minute GILLETTE will save you 5 to 10 minutes every time you shave. Put it at 5. That's over three working days a year. Isn't your time worth over \$1.25 a day?

When you're nearly late for the train or an important engagement, the five minutes which the GILLETTE saves you is apt to be worth several times the value cost.

Then there's the comfort of the clean, cool, easy GILLETTE shave—worth in itself several times the difference in price.

For real economy—time and face as well as cash considered—buy a GILLETTE and enjoy it.

DIVERSIFIED FARMING

As a home, the farm without live stock and poultry is almost as unpalatable as an egg without salt. It is essential that a farmer should have milk, cream, butter, cheese, eggs and meat in order to live as well as his stock. The comfort and happiness of himself and his family is a consideration independent of revenue. Nothing more dairy than the farm with out a "bamb, a colt, a calf, a pig, or a chicken."

While grain is the staple crop in Western Canada, the settler can ill afford to place all his eggs in one basket. An off season will leave him a year's effort. With a few cows he has assured a revenue from the sale of milk or cream to the creamery each day; the calves will return money from the butcher and the hens will pick up waste grain and insects besides supplying the table with eggs. A few hens will pay the grocery bill. The hog is a sure revenue producer on any farm and can easily be reared on so much cash on the hoof. Sheep have never failed to pay for their keep in Alberta and they furnish both wool for the table and cash for the family expenses. Beef cattle are profitable animals to raise in Alberta as anyone who has tried the experiment along practical lines can testify. Horses command such a price as to encourage all farmers to raise foals.

While it will cost the average owner perhaps more than he expects or can afford to stock his farm with horses, cattle, sheep, hogs and poultry, he can at least make a start, no matter how modest, and lay the foundation for future operations. He may expand the business and pile up more cash for himself than he can accomplish and do justice to all his stock, but without overtaxing himself he can easily plan sources of revenue which will stand him in good stead. In all years for grain crops. To keep hogs or sheep it is not necessary that the farmer should lay expensive machinery. A cream separator is not nearly so easily as a self-binder and will pay more in proportion to its value. Provided proper methods are used. The "swill" pail and the leading trough are the only implements required to produce hogs and sheep and a good fence, which is a mixed farming country and there is abundant proof that mixed farming will pay when conducted with a reasonable amount of foresight and energy.

MAIL INSURANCE AND TAXES

A large body of farmers living in the grain belt of Alberta have undertaken to wrestle with the question of mail insurance and to find a solution of the problem, says Farn and Pugh Review. This requires courage. Farmers and others in the grain growing districts of Manitoba and Saskatchewan have worried over this same problem for many a long day.

The trouble is that it is so much to be paid in favor of and in opposition to a compulsory tax on land for mail insurance purposes that by the time all the arguments are in and out, the farmer is left in a quandary. If he can side or the other is heard to the exclusion of other evidence it is comparatively easy to make up an opinion.

This trouble about the actual residents adding a value to unoccupied land far greater than the community ever receives is an evil that will not so long as we retain our present system of taxation. What is required is a system by which owners of land will be taxed in proportion to the value the community adds to the land. In other words, the adoption of the single tax in its broadest sense will not only relieve residents of an undue burden of taxes, but will give the government or municipal council plenty of revenue to carry on many community utilities and improvements that are not at present enjoyed.

The situation for compulsory mail insurance is but an evidence that our system of taxation is not just.

DAYSLAND

(From The Press)

Born—At Daysland Hospital, on Wednesday, April 26th, to Mr. and Mrs. Knut Hanson, a daughter.

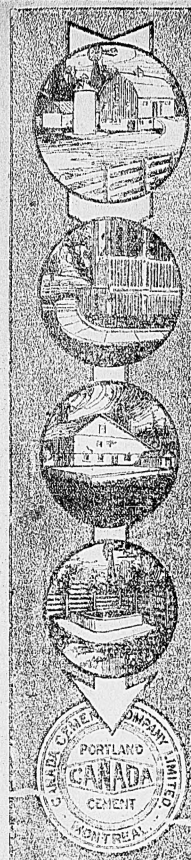

Born—At Hill Crest Farm, Killam, on the 22nd instant, to Mr. and Mrs. R. G. Vanderburg, a daughter (Joan Holman).

Noble Baylis has been elected councillor in Local Improvement District 23-1-4, to fill the vacancy occasioned by the resignation of Charles Ashburn.

The funeral services of Marshall Enghagen, who has been a resident of the Montrose school district for the past eight years, were held in the Montrose school, on Monday afternoon, and were largely attended, the service being in charge of Rev. J. N. Wilkinson. He was eighty-five years of age and has been in failing health. He was recently taken to Swift hospital, but his strength had so far failed that he only lived a few days after.

A re-arrangement of sections on the Canadian Pacific Railway given us two sections running east and west of Daysland, instead of one as formerly. The old former takes the section running east, and a Mr. Lapp, from Leduc, has been placed in charge of the section running west. Temporary living quarters have been given him in a box car south of the track, near the tool house.

Mr. and Mrs. J. T. Nielsen and children have taken their departure to visit their old home in Denmark, where they expect to remain for about three months, after which time they will leave in British Columbia. They have many friends here who regret their departure but join most heartily in wishing them prosperity and happiness wherever they may be.

\$3,600 in Cash Prizes for Farmers

Are you one of the thousands of Canadian farmers who have used or intend using Canada Cement (or the construction of some form of building)? If you contemplate building anything whatsoever of concrete, make up your mind right now to build it with a view to winning one of the prizes we are offering. Read the rules of this announcement and you will learn how you may try for a share in the \$3,600 we are giving away, to encourage the use of cement upon the farm. Throughout Canada the farmers have taken such a keen interest in our campaign that it has led us to go further along these educational lines. We have decided, therefore, to offer a series of four \$100.00 prizes to each of the five finalists to be awarded as follows:

PRIZE "A"—\$100.00 to be given to the farmer in each Province who will use "CANADA" Cement on his farm in 1911 for the greatest number of purposes.

PRIZE "B"—\$100.00 to be given to the farmer in each Province who uses "CANADA" Cement on his farm in 1911 for the greatest number of purposes.

PRIZE "C"—\$100.00 to be given to the farmer in each Province who furnishes us with a photograph showing best of any particular kind of work done on his farm during 1911 with "CANADA" Cement.

PRIZE "D"—\$100.00 to be given to the farmer in each Province who furnishes us with a photograph showing best of any particular kind of work done on his farm during 1911 with "CANADA" Cement.

In this contest no farmer should risk his prize money by competing for any of the prizes.

It is not to be understood that the prizes are to be given to the farmer who has the most concrete work done on his farm, but to the farmer who has the most concrete work done on his farm in 1911 for the greatest number of purposes.

Canada Cement is handled by dealers in almost every town in Canada. Should there not happen to be a dealer in your locality, let us know and we will try to appoint one.

Contest will close on November 15th, 1911, and all papers and descriptions must be in our office by that date. Awards will be made as soon as possible thereafter. The jury of award will consist of Prof. Peter Gillespie, Lecturer in Theory of Construction, University of Toronto; W. H. Day, Professor of Physics, Ontario Agricultural College, Guelph; and R. S. Macdonald, Editor of "Construction."

Now, you cannot hope to do concrete work to the best advantage unless you have a copy of our free book, entitled, "What the Farmer Can Do With Concrete." This book tells how to construct well-built anything on the farm, from hitching post to silo. Whether you enter the contest or not, you'll find this book most helpful. A post-card asking for the book will bring it to you promptly. Send for your copy tonight. From your cement dealer or from us, you can obtain a valuable containing full particulars of contest. If you send to us for it, use the coupon provided in this announcement.

TEMPERANCE COLUMN

Edited by The W. G. T. U.

OUR GROGLESS NAVY

The Canadian Navy has received commendations and praise, but there is one feature of it that everyone with the exception of those whose pockets are filled by revenues from "The Trade," will agree is good, and that is that our navy has been strengthened a thousand fold by being sent forth, equipped by a grog tub, to work out its problematic mission. Because of the grog arrangement, it is asserted that the messing allowances will be more liberal. This is double gain. No grog and more food should make for greater efficiency in the service than is shown by sailors that are kept on the edge of tipiness by daily ration of drink.

The Dundee Courier (Scotland) comments:

"Another interesting feature of the Canadian navy is that officially it is to be teetotal. There will be no food of grog. This is a significant sign of the times. Half the men in our fleet at present decline to draw their grog ration, and there is nothing surer than that the admiralty—watching results in the Dominion fleet—have in contemplation the banishment, sooner or later, of grog and the grog tub from the British service. The custom is ancient. It serves no good purpose, and few will regret when it goes."

WHAT THINK YOU

What your employer thinks of you what the world thinks of you, is not half so important as what you think of yourself. Others are with you comparatively little through life. You have to live with yourself day and night through your whole existence, and you cannot afford to let that dividing thing in you to rot—Lillian Sweet Martin.

STILL BETTER

Said a bystander to a working-man speaker at an open-air meeting: "When I have to live with myself, I don't care to know a house down." And the speaker retorted: "Through my leaving off my beer I have been able to get two houses up."—National Advocate.

HAIR HEALTH

If You Face Scalp or Hair Trouble Take Advantage of this Offer

We could not afford to so strongly endorse Resall's "99" Hair Tonic and continue to sell it as we do, if it did not do all that we claim it will. Should our enthusiasm carry you away, and Resall's "99" Hair Tonic not give entire satisfaction to you, we, the users, they would lose faith in us, and our statements, and in consequence our business and prestige would suffer.

We assure you that if your hair is beginning to unaccountably fall out or if you have any scalp trouble, Resall's "99" Hair Tonic will promptly eradicate dandruff, and prevent premature baldness.

Our faith in Resall's "99" Hair Tonic is so strong that we ask you to try it on our positive guarantee that your money will be refunded if it does not do us we claim. Two sizes, 50c. and \$1.00. Sold only at our store—The Resall Store, 11, L. Higgs.

The resignation of Rev. Mr. Smith, Morningstar, has been accepted by the Presbytery, taking effect the second Sunday in May.

One hundred and twenty-two towns will be born in Western Canada this year. This will be an advance of practically one every two days, which is rapid development.

J. K. Cornwall is to start immediately making arrangements to bring six or eight tons of asphalt from Ft. McMurray to Edmonton to test it on one of the streets here. It will cost about \$120 a ton under present conditions.

Toronto, April 7.—The Methodist Church of Canada is to have a new hymn book. This was decided at a meeting held in the Wesley building, Richmond street. A committee was appointed to carry on the work, and the new book will be entirely new, and not a revised one.

A local campaign sweeping north from Aldrich through Red Deer to Wetaskiwi will probably be commenced this summer if a special convention called for early in May at Red Deer decides upon this. There is an action, and in this belt which is as broad as the province to make it one and although there is considerable opposition, local optimists claim it will carry.

C. P. R. PATENTS

The amount of land in the west alloted patented by the C.P.R. is as follows:

On June 11, 1896 when the Liberal party came into power they had been patented to the C.P.R. for their main line land bonds 1,331,940 acres, this being just fifteen years after the railway had been completed.

In 1904 there had been patented to the company 12,356,529.27 acres. In 1905 patents had been issued to the company on 18,117,728.33 acres and at the present time there remains yet to be issued to the company, patents on 2,945,300 acres of the lands secured by the C.P.R. It will be seen from the above that the present government has done good work in forcing the railway company to let their land grant.

THE DOCTOR'S QUESTION

Much sickness Due to Bowel Disorders

A doctor's first question when consulted by a patient is, "Are your bowels regular?" If not, he has a right to expect that your health is not in the best of health, and that this condition must be removed before you can be healthy, before health can be restored.

Resall's Orderlies are a positive, powerful and safe remedy for constipation and bowel disorders. They are so certain of their great curative value that we promise to return the money if they fail to give you relief.

Resall's Orderlies are eaten like candy, they are not sticky and they are soothing, strengthening, healing influence on the entire intestinal tract. They do not purge, grip, cause nausea, flatulence, excite the bowels, or produce any other annoying effect.

A BAD COLD

Developed Into BRONCHITIS.

Neglected Bronchitis is very often the first stage of Consumption, and on the first symptoms of cold, Dr. Wood's Norway Pine Syrup should be used and the bronchitis cured.

The symptoms are, tightness across the chest, sharp pains and a difficulty in breathing, a secretion of thick phlegm, at first white, and later of a greenish, yellow color, coming from the bronchial tubes when coughing, especially the first thing in the morning.

Mrs. David J. McCormack, Cleveland, N.Y., writes: "My little boy two years old caught a bad cold which developed into Bronchitis. He was so choked up he could hardly breathe. Reading about Dr. Wood's medicine, Dr. Wood's Norway Pine Syrup, I decided to try it and with each good result I got under which completely cured him, without having a doctor. I cannot say too much in its praise. I could not get it out of the house as I consider it a sure cure for Colds and Bronchitis."

The price of "Dr. Wood's" Norway Pine Syrup is 25c. It is put up in a glass bottle with a cork stopper. It is the true mark. Be sure and accept no substitute for Dr. Wood's.

Manufactured only by The T. Milburn Co., Limited, Toronto, Ont.

WOOD'S PHOSPHORUS

The Great Kidney Purifier

Dr. Wood's Phosphorus is a powerful medicine for the kidneys, bladder, and prostate. It is a sure cure for all diseases of the urinary system, and is especially recommended for the treatment of the following diseases: Catarrh of the bladder, Stricture, Hematuria, Gravel, Gleet, and all other diseases of the urinary system. It is a powerful purifier of the blood, and is especially recommended for the treatment of the following diseases: Scrophulous diseases, Skin diseases, and all other diseases of the blood. It is a powerful tonic for the system, and is especially recommended for the treatment of the following diseases: Debility, Nervousness, and all other diseases of the system. CAMROSE

(From The Canadian)

It seems as if E. O. Lyman, who farms seven miles north of Camrose and who recently purchased the Percheron station in India, with a view to becoming one of the largest breeders of Percherons in Central Alberta.

On Saturday afternoon a meeting of the shareholders of the Round Bay Coal company, was held at Round Bay.

At this meeting the incorporation of the company was discussed and preliminary arrangements made for the proposed expansion of the plant.

The company has been incorporated with a capital of \$1,000,000, 400,000 of which has already been subscribed.

Forseeing a great demand for cement blocks, a private firm has decided to establish a plant in the local area.

The confidence which the town council showed in the wisdom and progressiveness of the ratepayers of Camrose, when they awarded provincial contracts for the material and appointed an engineer, has been amply justified. Moreover, the urgency of the work shows that the citizens are fully awake to the necessity of modern conveniences if the town is to progress as they believe it will.

Now that the project has been approved no time will be lost with the installation of the plant and before the winter sets in the waterworks and sewerage system will be in operation.

By the fall, too, many handsome buildings and several warehouses will be erected, and the residents have only been waiting the passing of the by-law.

On Wednesday, at noon in the Presbyterian church, by Rev. K. C. McLeod officiating, there was solemnized the marriage of Hilma Burger and Miss Maud Wilson. For the occasion, the church was beautifully decorated, and when the bride party entered to the strains of the wedding march quite a number were present.

After the ceremony its happy couple were heartily congratulated by many friends. Mr. and Mrs. Burger were accompanied to the altar by several friends in automobiles, who saw them safely along the afternoon train going north. Both parties are now residing at the home of Mr. and Mrs. Burger, who are at the corner of Main St. and Alberta Ave. on their return to Camrose.

The wrestling match in the Lyman Theatre on Monday evening was good but the boxing exhibition was a poor show. The first fall was gained in twenty minutes by Mark's opponent, who was heavily defeated. The second fall was gained in four and eight minutes respectively by Marks, who won the bout. Some amusement was caused by two local men who essayed to lay Marks on the mat. The audience was one that must have pleased the management.

For scores of the muscles who etherealized the scene, the exercises of Jerry Chamberlain's Limbless are excellent. This limnait is also highly esteemed for the relief it affords in cases of "stiff joints." Sold by dealers everywhere.

POPULAR CITIZEN BECOMES BENEFICENT

Referring to the wedding of a popular Wetaskiwiite the London Free Press says:

A very pretty wedding took place yesterday at 427 King Street, the home of the bride's mother, when the marriage was solemnized by Elder John Gilmour, of Belmont, and the late James Gilmour, ex-M.P. for the riding of Wetaskiwi. The bride, Miss Mary Gilmour, daughter of the late James Gilmour, ex-M.P. for the riding of Wetaskiwi, was given away by her father, the late James Gilmour, ex-M.P. for the riding of Wetaskiwi.

The ceremony was performed by the Rev. J. G. Stewart, in the presence of about 50 guests, the house being prettily decorated with palms, ferns, and flowers.

The bride who was given away by her brother, John Gilmour, looked charming in her gown of white duchesse satin, with train of Brussels net, unembroidered with silk tulle veil and orange blossoms, and carried a bouquet of white roses and lilies of the valley.

The bride was attended by Mrs. Thomas Robson as matron of honor, wearing pale blue satin, with train of Irish lace, and large picture hat. She carried a bouquet of pink roses.

The groom was assisted by Mr. D. H. Gilmour.

The ribbon-bracers, the Misses Clara Odell, Frances McInelly, Winnie Odell, and Mildred Odell, all took their places just as Mrs. W. H. Fitzpatrick, of Belmont, aunt of the bride, began the wedding march.

Mrs. Gilmour, mother of the bride, was gowned in black silk crepe de chine, trimmed with embroidered cotton and fringe. Mrs. Odell, mother of the groom, wore black satin, with jet trimmings.

The groom's gift to the bride was a handsome pearl and diamond ring, to the matron of honor, a bracelet set with pearls, and to the best man a diamond ring.

After the ceremony and the congratulations of their friends had been received, a buffet luncheon was served before the happy couple left on the 5:35 P.M. train for Toronto.

C.P.R. return to London they will leave for Wetaskiwi, Alberta where they will be in Toronto.

Slick headsets results from a disordered condition of the scalp. The scalp should be treated with the Scalp Headsets. Try it. For sale by Dentists everywhere.

MAN BURNS TO DEATH

A fatal fire occurred at the home of A. D. B. Steen, who lives on the corner of Main and 10th streets, on Friday morning last. The fire broke out about 5 miles from the town of Youngstown, about 520 on Friday morning last. The family consisted of Mr. and Mrs. Steen and three children, and a young man named O. M. Jacobson, who has been stopping with the family for the past while, were awakened by Mr. Steen, who was aroused by the smell of smoke. Mr. Steen immediately alarmed the household and the children and Mrs. Steen made their escape through the bedroom window. Jacobson however, tried to make his escape down the stairs. He got up to the foot of the stairs but the fire was burning too fiercely for him to get any further, and after trying in vain to find a way to escape he returned to the stairs and got out through the window. He was assisted to shelter, and all the attention possible under the circumstances was rendered him, but as the nearest doctor lives about twelve miles away it was nearly two hours before he could receive proper medical attention, and his condition was then so serious that he was ordered to be brought to Castor Hospital. Mr. Steen, accompanied by Mr. W. H. Moore, drove the distance arriving here at 3 p.m. on Saturday, and the sufferer was immediately put under the care of Dr. Lyman, an attending physician being sent to alleviate his sufferings. The shock, however, had been so great, and no doubt had been greatly aggravated by the escape of the sufferer, that the poor fellow succumbed to his injuries at 5 a.m. Sunday. Jacobson was a thirty-eight year old man, married, and had a family of four children. He was a native of Sweden, and had been in the country for some time. He was a very kind and generous man, and was well liked by all who knew him. He was a native of Sweden, and had been in the country for some time. He was a very kind and generous man, and was well liked by all who knew him.

FELL TO AN ANCIENT GAME

J. P. McInelly, a new arrival from the states, had a costly experience on the train between here and Blackfoot on Saturday last. A few miles down the line a stranger came up to him and said he had to call some money from Lacombe, and only had \$50.00. McInelly could accommodate him and pulled out his roll and skinned off some \$10 bills. The stranger then told him what he was supposed to be \$5 bills and ten \$1 bills. McInelly counted over the money and found the 10 bills but only found and asked the gentleman to hand over the other dollar. The evidence artist then counted the roll and McInelly and after counting the roll found that McInelly was right, he was a dollar shy, and then McInelly put a dollar into the roll and handed it back to him with his accompanying friends. The stranger put the roll in his pocket, and after leaving the train at Lacombe, discovered that when the stranger had counted the money he had had slipped off him a roll of \$5 bills and ten \$1 bills. McInelly counted over the money and found the 10 bills but only found and asked the gentleman to hand over the other dollar. The evidence artist then counted the roll and McInelly and after counting the roll found that McInelly was right, he was a dollar shy, and then McInelly put a dollar into the roll and handed it back to him with his accompanying friends. HAD HEART TROUBLE

NERVES WERE ALL UNSTRUNG.

Wherever there is any weakness of the nerve or nervous, flagging energy or physical debility, the use of Milburn's Heart and Nerve Pills will soon produce a healthy, strong system.

Writes—"It is with the greatest pleasure I write you stating the benefit I have received by using your Milburn's Heart and Nerve Pills. This spring I had a most nervous attack. I took medicine, as he ordered me to do, but it did me no good. I was working in a field at the time, and my doctor said it was the time taking too much of the medicine. I took nothing but your pills. My father advised me to buy a box of your pills as he had suffered so much from them. I bought a box and took one box I noticed a great difference, and could now go to morning to night without any more nervous feeling or loss of sleep. I can recommend them highly to all who are suffering from nervousness. Price 50 cents per box, or 2 for \$1.00, at all dealers, or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.

WETASKIWIN

ALBERTA

City Council

The regular meeting of the city council was held in the council chamber on Tuesday evening, May 3rd. Members present: Mayor Fowler, Ald. Ellis, Wagner, Olin, Chandler and MacBroom.

Minutes of previous regular and special meeting were read and adopted.

Communications: From Union of Canadian Municipalities, asking for renewal of membership fee of \$10.00. The clerk was instructed to inform them that the city did not wish to renew.

A gentleman who has been a patient in the Scandinavian Hospital asked the council to pay for his treatment since March at the rate of \$1.00 per day. The request was not granted.

Communication from Miss Wyld, who is a candidate in the Edmonton Journal contest, to subscribe for that paper for a term of five years for the use of the fire brigade. The communication was filed.

Dr. T. D. Stevenson, Medical Health Officer, reported that during the past month two cases of measles and two of scarlet fever had been reported. The city water supply at no excellent, and an inspection of the various dairies in the city and a test of the milk was very satisfactory.

From Henderson Directory Co., asking the city to take advertising space to the amount of \$50.00 in their directory. The letter was filed.

From E. Roberts, secretary-treasurer, re charges of graft made against him by the Central Alberta. Following is the letter submitted to the Mayor and Council.

City of Wetaskiwin.
Gentlemen:—In a recent issue of a local paper my name has been connected with a charge of graft. While I do not think the citizens of Wetaskiwin will pay serious attention to the vapors of these journalistic "carpet baggers," still there is an old saying that "if you throw plenty of mud some of it will be sure to stick." In the position I occupy, a good name is somewhat of a valuable asset, therefore I would respectfully ask that a special committee be appointed to investigate and report upon my connection with the affair.

Yours truly,
E. Roberts.
Secretary-Treasurer.

Ald. Olin was of the opinion that Mr. Roberts' request should be granted, and a special committee composed of the Mayor, City Solicitor, Ald. Olin and Ellis were appointed.

Measrs. D. C. McLean and C. D. Fennell addressed the council regarding the grant to the agricultural society. Ald. Olin was very enthusiastic over the matter, and said in his opinion the grant should be made.

Mr. Olin-Chandler—That Public Works Committee be appointed to look into the matter and report at next meeting.—Carried.

A report was read from Fire Chief Whitehead, in which he set forth the requirements of the fire hall that are necessary to make it as it ought to be.

Ald. Olin—That Chairman of Fire and Light Committee be instructed to have team for use of city, and to use used for hauling fire apparatus.—Carried.

Ald. Chandler reported favorably upon the city taking over the Scandinavian Hospital, which will be known as the Wetaskiwin General Hospital. Ellis—Wagner—That report be adopted.

Mr. Rubbra was present and addressed the council re the dirt on the streets, and asked why the water cart was not being used. It was pointed out that it was impossible to secure a team to do the work, but now that the city were hiring a team by the month the difficulty would be overcome.

Chandler—Olin—That insurance on city employees be renewed.—Carried.

Ald. Olin brought up the matter of alleged overcharge on tax sale. Ald. Chandler explained that in his opinion there had been no overcharge and pointed out where a charge of 25c higher had been made by other towns. The matter was referred to the finance committee and the city solicitor to act in conjunction with the board who awarded the contract.

Meeting adjourned.

WILL SEEK REDRESS IN THE COURTS

D. E. Brown, of Selkirk, was in Banff the first of the week for the purpose of investigating the sale of four horses which were sold here last fall by auction.

It appears that Mr. Brown had purchased three horses from the Selkirk of this place some time last year, paying in full of payment a chattel mortgage on the three horses together with one more of his (Mr. Brown's) own horses. Mr. Brown was told that he (Mr. Brown) expected the money in the mail in a few days, but the mortgage evidently not being satisfied at that, together with the fact that the mortgage was not paid due, he sold the horses, brought them to Banff and had them sold at auction, on Tuesday, Oct. 18th. The amount realized from the sale of the four horses was not sufficient to pay the mortgage and the costs, and the mortgagee (Mr. Brown) of course, entered suit for the balance due.

From the above description of the case it would seem that Mr. Brown would have no redress in the matter, out Mr. Brown (the mortgagee) has an entirely different view of the situation based upon the fact that the court was not pursued, in selling of the mortgaged animals.

In the first place Mr. Brown says that he did not receive notice of the sale in time to attend and protect his interests, and that the sale was not properly advertised, all of which seems very well grounded, from the

Remember the Aeroplane social in the I.O.O.F. hall next Tuesday evening, under the auspices of the Rebekah Lodge. An excellent program is being prepared and refreshments will be served.

Alex Murray arrived in the city this week to take possession of the 3. W. 13-47-24, which he purchased from J. M. McKelvey. Mr. Murray has looked all over the west and finally decided to locate here, deeming this the best part of the western provinces.

The annual parade of Wetaskiwin Lodge No. 3, I.O.O.F., on Sunday last was very successful in every way. The procession which was headed by the Wetaskiwin Citizens' Band marched to the Presbyterian church where an excellent discourse was given by the minister, Rev. E. McCougan. We regret that we did not permit a synopsis of the sermon, but this will appear in next week's issue.

To have anything in all this world that is of more importance to you than good digestion? Food must be eaten to sustain life, and must be digested. The digestion fails the whole body suffers. Chamberlain's Tablets are a reliable and rational cure for indigestion. They increase the flow of bile, purify the blood, strengthen the stomach, and tone up the whole digestive apparatus to a natural and healthy condition. For sale by Dealers everywhere.

W. J. Quillen, district passenger agent of the Grand Trunk Pacific system, was in the city to-day and appointed J. P. Johnson as his traveling agent. Arrangements are being made whereby any person can travel east over the G.T.P. from Wetaskiwin via Edmonton as cheaply as the residents of the Capital city.

One of the largest real estate deals ever put through in the city was consummated this week by J. P. Johnson and Co., when they disposed of Lars Olin's 720 acres at New Norway, for \$30,000. Ole Brandt's quarter at 22120 an acre, three quarter section four miles north of the city at a good price. This land was all purchased by investors from across the lake.

Mr. John Griffith, with May Edith Totten and a strong supporting company, is announced as the attraction at the Angus Opera House, Thursday May 11, when the opportunity will be afforded to witness the classic drama to again witness his splendid performance of "Faust" in which he has previously been so well received.

The true nature of Mr. Griffith's acting of Meinholt is so generally known here that comment is unnecessary, so far as he is personally concerned. Miss Totten is credited with a charming portrayal of Marguerite and the other parts.

Further particulars can be had from E. D. H. Wilkins, of the City of Wetaskiwin, in the Province of Alberta, Solicitor for the Plaintiff.

Dated at Edmonton this 29th day of April, A. D. 1911.

A friend recommended me to try Burdock Blood Bitters, and after using two bottles I was pleased to note the boils were entirely gone, and I have not been troubled with any more."

Phlegm Cured.
Miss Eva A. Skinner, Granby, Que., writes:—"I am pleased to recommend Burdock Blood Bitters as it has done me much good. My face was covered with pimples, and being advised by a friend to use Burdock Blood Bitters, and have them removed I did so and I now have not a spot on my face."

Burdock Blood Bitters is manufactured only by The T. M. M. Co., Limited, Toronto, Ont.

FOR 25 YEARS HE SUFFERED

Well Known Merchant Of Sarnia Cured by
"Fruit-a-Lives"

SARNIA, Ont., Feb. 26th, 1915.
"I have been a sufferer for the past 25 years with Constipation, Indigestion and Chills of the Stomach. I tried many remedies and many doctors but derived no benefit whatever. Finally I read an advertisement of 'Fruit-a-Lives' and I decided to give 'Fruit-a-Lives' a trial and found they did exactly what was claimed for them. I have now taken 'Fruit-a-Lives' for some months and find that they are the only remedy that does me good."
(Have recommended 'Fruit-a-Lives' to a great many of my friends and I cannot praise them fruit tablets too highly!)"
PAUL J. JONES

"Thousands now use 'Fruit-a-Lives' (Fruit-a-Lives) more will try 'Fruit-a-Lives' after reading the above letter. It proves, beyond the shadow of a doubt, that at last there is a cure for Constipation and Stomach Troubles.
'Fruit-a-Lives' is Nature's cure for these diseases, being made of fruit juices and valuable tonics.
Get a box, 6 for 10, from any A. C. dealer, or sent on receipt of price by Fruit-a-Lives Limited, Ontario."

SYNOPSIS OF CANADIAN NORTH

Any person who, in the sole land of a family, or any one over 18 years of age, may homestead a quarter section of available Dominion land in Manitoba, Saskatchewan or Alberta. The applicant must appear in person at the Dominion Lands Agency or Sub-Agency for the district. Entry by proxy may be made at any agency, on certain conditions, by father, mother, son, daughter, brother or sister of intending homesteader. Duties—Six months' residence upon and cultivation of the land in each of three years. A homesteader may live within six miles of his homestead on farm of at least 90 acres, solely used and occupied by him or his father, mother, son, daughter, brother or sister.
In certain districts a homesteader in good standing may preempt a quarter section alongside his homestead. Price \$10 per acre. Duties—Must reside six months in each of six years from date of homestead entry (including the time required to earn homestead points) and cultivate dry acres etc. A homesteader who has exhausted his homestead right and cannot obtain a pre-emption right may purchase homestead in certain districts. Price \$10.00 per acre. Duties—Must reside six months in each of three years, cultivate dry acres and erect a house worth \$200.00.

Prescribed and recommended for women's ailments, a celestially prepared remedy of proven worth. The result from their use is quick and permanent. For sale at all drug stores.

City of Wetaskiwin

NOTICE is hereby given that the following lands in the City of Wetaskiwin, and the Wetaskiwin Sub-District will be offered for sale for the purpose of raising money for the City of Wetaskiwin, on Monday the 10th day of June, A. D., 1915, at 10 o'clock in the forenoon, in the Council Chamber, City of Wetaskiwin.
The Secretary-Treasurer will present the lands for sale on the said day and at the said time and place unless the arrears of taxes and costs are sooner paid.

E. ROBERTS,
Secretary-Treasurer.

Thomas A. Edison did another wonderful thing

when, having brought his Phonograph to a point where not even the most critical could task for improvement, he multiplied its entertaining ability by two.

He did this by producing a Phonograph Record that plays, sings or talks twice as long as the Standard Edison Records.

He did this without increasing the size of the Record, making it a Record that can be used on old instruments as well as new.

He did it without affecting in any way the clear, rich, musical tones for which Edison Records have always been famous.

He calls this double-length Record "Amberol."

Edison Amberol Records, Inc.

Edison Phonographs
\$15.50 to \$240.00

Edison Standard Records, the Edison Grand Opera Records, etc. to be used on the standard Edison and other Edison Records.

Edison Phonograph Co., 100 Lafayette Ave., Orange, N. J., U.S.A.

EDISON PHONOGRAPHS AND RECORDS SOLD BY
A. E. Hutchins, Pearce St., and A. H. Liversidge, Railway St. west

FARMERS FACTS

The only way you can secure the best returns for your grain is by loading and shipping it yourselves at our job, and having it handled by a reliable commission firm. The Grain (Traders) Grain Co. have an office in Calgary. We are a farmers' company, controlled solely by farmers. We handle all your grain in a most efficient way. We look after your interests in every way, our claims department is at your service. We do business in a business like way, under prompt and liberal advances on receipt of your bill of lading and prompt return when grain is sold. Our records this season show 100% increase over our business of last season.

THERE'S A REASON, WE HAVE MADE GOOD. Send us samples of your grain, we will forward you by return mail, gratis, and highest market price for same. Write, wire, or phone us, for shipping instructions, or any information you want. **"WRITE US TODAY, GET IN TOUCH WITH THE FARMERS CO."**

THE LOCAL PAPER AS AN ADVERTISING MEDIUM

Out here in the West when you build a new town one of the first things to go up is a bank. We can't do business without money. Close on its heels follows the newspaper. We can't beat the town without a local paper. With a bank and a newspaper the town is fairly under way.

GRAMMERY OWEN

The Weyburn Dairy Association, Ltd., has opened their plant for the year and established routes in every direction in which a route will pay. Those who are not on a route and desire to patronize the creamery, can deliver their cream personally. Already over 1,000 cows have been grouped which means a large output. The association paid on an average about 25 cents per lb. of butter last year, each month in full. We have decided to do the same this year and will pay in full promptly each month the highest price which the market will allow. The government have taken considerable pains and expended considerable money to further the dairy industry and this year are offering 2 cents per lb. of better extra as a premium on all first-class cream. The intention is to increase the quality of the butter and get, as an easily obtained, an extra 3 or 4 cents for this extra quality of creamery butter. The dairy commissioner sold in one lot last year 1,000,000 lbs. of butter at 4 cents per lb. over any competitive offerings. If the farmers of the Weyburn district appreciate the work which has been done by the department in trying to help them in the disposal of their dairy product and secure for them the highest standard and consequently price, they will patronize the institution which is trying to carry on this work.

The world market is open for a good product, no matter how great the ordinary supply, and the dairy department, by offering the best product will get the best price. In this connection the dairy commissioner says: "As market conditions look at present there is going to be a plentiful supply of butter in Canada this season and only the best quality will receive the highest price and the at-tempt, from that section of the trade who is willing to pay a good price for quality."

Those who desire better milk can make arrangements by seeing the butter-maker in charge. We solicit your patronage for the season and trust that you will cooperate with us in making the year a record one in the history of the association.

Weyburn Dairy Association, Ltd.
B. G. Archibald, J. Bradley,
Buttermilk Sec. Treas.

CAID OF THANKS
Miss Ingeborg Sutherland wishes through the columns of the Times to thank all those who subscribed to a fund to assist her during her recent affliction, also to the many friends and neighbors for their sympathy. She wishes to particularly thank Messrs C. J. Kilgusall, J. P. Johnson, K. P. Hamilton and Mrs. Helma Jensen, who have been the most generous in their respective districts, and also Dr. Stevenson, who materially reduced his account for medical attendance.

WALK OVER SHOES

A SPRING THOUGHT

"Keep out of doors as much as possible; put your cheek to the little air" hear the secrets of nature. Let your mental attitude be one of rejoicing. Indulge in a pair of pretty and well fitted WALK-OVER Shoes or extras will add much to the pleasure of your outings. A good style for spring is the "BRIDGE MODEL" in soft Tan Calf.
